++ Valid for broadcast between 0600 and 1800

Headline:
Largely cloudy, with rain at times.

Today:
Generally cloudy, with outbreaks of light rain becoming heavier and more persistent during the late afternoon and evening. Drier in the southeast with possible bright spells. Mild, with light winds. Maximum temperature 11 deg C (52 deg F).

Tonight:
Outbreaks of rain clearing slowly away through the evening to leave a generally dry night. Largely cloudy and this lowering to give some murky conditions with fog in places. Minimum temperature 4 deg C (39 deg F).

Tuesday:
A dry day on Tuesday. Any early fog clearing into the afternoon as winds freshen somewhat and skies remain largely cloudy. Feeling generally mild. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
Wednesday often rather cloudy and breezy, with some patchy light rain or drizzle. Largely dry but rather cloudy Thursday and Friday. Very mild for the time of year.
